

# Infusing Thinking into Learning

What makes a decision necessary

What are some things I can do?

What will happen if I do these things?

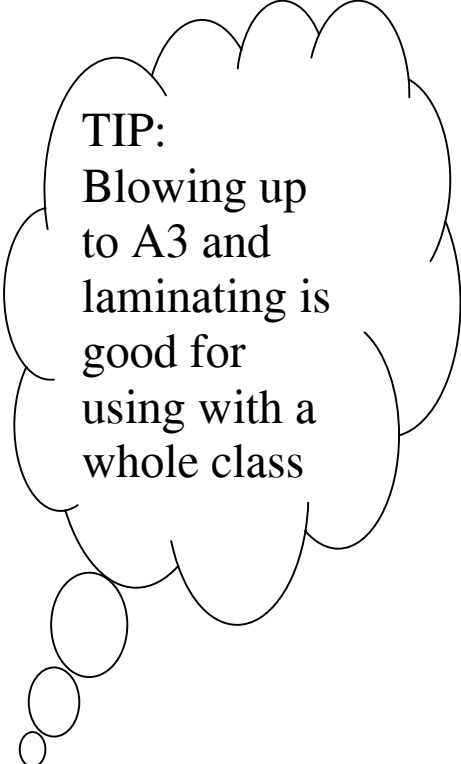

Which are good things to do?

The following are a series of resources you can:

Print and keep at A4 or blow up to A3

Write in the information you wish and print/display.... All the best

See also in2edu's thinking maps in Inspiration... all ready to go!!!!

**TIP:**  
**Blowing up  
to A3 and  
laminating is  
good for  
using with a  
whole class**
