

1. Share a story about a time you were especially proud of an aspect

2. Share a story about a time it was especially painful to be identified with one of your identifiers or descriptors.

3. Name a stereotype associated with one of the groups with which you identify that is not consistent with who you are. Fill ---

What makes you you? How do you see yourself?

Discussing Symbols
 Can the reader or the audience the sign is designed for, read and understand the sign?
 Has colour been used effectively for example, red for danger signs?
 Does the overall design or shape of the sign or symbol, grab the reader's attention?
 If verbal features have been used, has the impact been through the use of upper case letters, lower case letters or the use of both?
 If pictures have been used are they easily identifiable to the reader?
